

Summary for children and young people

Name: Flourish Fostering (North)

URN: 2742835

Date of inspection: 04 March 2024

Hello,

It was lovely to speak with some of you when I visited Flourish in March 2024.

I spoke with many people at Flourish fostering and with some of your foster parents and social workers.

I think that Flourish is a good fostering agency because:

- You like living with your foster parents and they know how to keep you safe and they know how to help you.
- You do lots of activities with your foster parents and have holidays.
- Your foster parents get a lot of support from the agency which includes supervisions and therapeutic support which supports them to ensure that they care for you very well and meet all of your needs.
- Your foster parents enjoy caring for you.
- I know that you are doing well in school and your foster parents ensure that you are reaching your potential.

I have made some suggestions to Kath and Mark and these mainly relate to the fostering panel and employment checks.

Thank you for taking the time to read this letter, if you are not sure about anything please speak with your foster parent Kath or Mark.

Take care and best wishes.

Nicola
